

ATTENTION TEENS!

Want to Make a Difference & Inspire a New Generation of Readers?

Governor's Early Literacy Foundation (GELF) is all about helping young children in Tennessee learn to read and love books.

With help from Dolly Parton's Imagination Library and local partners, they send books to TN children from birth to age five—at no cost to families at all. **Pretty cool, right?**

BE EXTRAORDINARY:

Are you 13–19 years old and want to do something that will make a difference? **The League of Extraordinary Teens** is an opportunity to help children in your community build a home library through the Imagination Library program.

What can you do?

- ★ Sign up 10 children for the program **AND**
- ★ Raise \$150 to cover a year of books for them

What do you get out of it?

- ★ A shoutout on GELF website & in newsletters
- ★ A certificate signed by the Governor of TN (Pretty cool for college apps or your resume!)

Each county may do things a little differently, but your impact will be real no matter what.

Ready to make a difference?
